Client Membership Levels

Here at Babysitter Express, our clients are our top priority. Our goal is to provide whatever our clients need whenever they need it. Our clients depend on our reliability and to make our services appropriate for each of our clients, we have established different client membership levels to suit each client's needs.

It is our goal to always guarantee a babysitter for all childcare reservations for every client. All clients are guaranteed a childcare provider once their Reservation Fee has been processed to their credit card. Scheduling is done on a first come first served basis by membership level.

Client Membership Levels		
Membership Level	Description	Annual Membership Fee
Platinum	Our platinum members may reserve a babysitter up to one hours notice for any day or evening.* Our platinum members are given top priority in the babysitter scheduling process and receive discounted reservation fees.	\$99
Gold	Our gold members may reserve a babysitter up to 72 hours notice for any day or evening. Our gold members are given second priority in the babysitter scheduling process and also receive discounted reservation fees.	\$79
Silver	Our silver members may reserve a babysitter up to one weeks notice for any evening. Daytime reservations are only available on the weekends for silver members.	\$59
Clients may upgrade their membership level at any time for an additional \$20 per level.		

NOTE: Although platinum members can reserve a childcare provider up to one hour in advance, if Babysitter Express is unable to process the reservation, members are not guaranteed a babysitter. Therefore, it is essential to give a least seven to ten days advanced notice to guarantee a babysitter for a specific event.

* Platinum Members: For Same Day Reservations, one hours notice is required. Babysitter Express is unable to process same day reservations for calls made after 5:00 PM.

Football Service

The fourth service Babysitter Express offers is the Football Service. This service is for clients who need a babysitter for one or all of the University of Tennessee football games. Due to the excessive amount of reservations for the football season, Babysitter Express cannot guarantee a babysitter for reservations made after August 15th. All reservations for all 8 home games made prior to August 15th are guaranteed a babysitter. If you must cancel your babysitter for any football Saturday, there will be a minimum \$49 cancellation fee assessed. Cancellations made within 3 days of the reservation are financially responsible for the hours reserved. When reserving a babysitter for a football game, you choose the number of hours your babysitter arrives prior to kickoff and the number of hours the babysitter stays after the game. Game time is counted as four hours.

For example: Arrival: 2 Hours [Game Time: 4 Hours] Departure: 2 Hours
Total Hours Reserved: 8 Hours
